They should not be relied upon as representations, express or implied, of the final detail of the residences or other improvements. The Developer expressly reserves the right to make modifications, revisions, and changes it deemed desirable in its sole and absolute discretion and without prior notice. Any dimensions reflected herein are approximate and all floor plans and development plans are subject to change. Stated square footages and dimensions are measured to the exterior boundaries of the exterior walls and the centerline of interior demising walls and in fact vary from the dimensions that would be determined by using the description and definition of the "Unit" set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes all interior structural components and other common elements). This method is generally used in sales materials and is provided to allow a prospective buyer to compare the Units with units in other condominium projects that utilize the same method. Terraces, although included in the total square footage, are not part of the Unit. Measurements of rooms are generally taken at the farthest points of each given room (as if the room were a perfect rectangle), without regard for any cutouts or variations. Accordingly, the area of the actual room will typically be smaller than the product obtained by multiplying the stated length and width. All dimensions are estimates which will vary with actual construction, and all floor plans, specifications and other development plans are proposed and conceptual only, which are subject to change and will not necessarily accurately reflect the final plans and specifications for the development.

Any floor plan reflected herein represents the typical floor plan for the residence type indicated and is provided for informational purposes only. The actual floor plan of the residence may differ. All features listed for each residence are representative only, and the developer reserves the right, without notice to or approval by the Buyer, to make changes or substitutions of equal or better quality for any features, materials and equipment. Interior photos shown may depict options and upgrades and are not representative of standard features and may not be available for all model types. All fixtures, furniture and items of finish and decoration of units described herein are for display only and may not to be included with the unit, unless expressly provided in the purchase agreement. All depictions of furniture, appliances, counters, soffits, floor coverings and other matters of detail, including, without limitation, items of finish and decoration, are conceptual only and are not necessarily included in each Unit. Furnishings, finishes, and other items are only included if and to the extent provided in your purchase agreement.

All images and designs depicted herein are artist's conceptual renderings, which are based upon preliminary development plans, and are subject to change without notice in the manner provided in the offering documents. All such materials are not to scale and are shown solely for illustrative purposes. Renderings depict proposed views, which are not identical from each unit. No guarantees or representations whatsoever are made that existing or future views of the project and surrounding areas depicted by artist's conceptual renderings or otherwise described herein, will be provided or, if provided, will be as depicted or described herein. Any view from a unit or from other portions of the property may in the future be limited or eliminated by future development or forces of nature and the developer in no manner guarantees the continuing existence of any view.

To the maximum extent permitted under applicable law, the Developer, on behalf of itself and its subsidiaries, affiliates, members, managers, agents, employees, licensees, and/or assigns hereby disclaims any responsibility or liability of any kind for any damages, whether they be direct, indirect, punitive, special, consequential, or any contribution or indemnity of any kind whatsoever, caused by or arising out of this website or any information contained herein, including (without limitation) the use or non-availability of this website.
